LEGISLATIVE COUNSEL'S DIGEST

AB 115, as amended, Klehs. Taxation: federal conformity.

Under the Personal Income Tax Law and the Corporation Tax Law, various provisions of the federal Internal Revenue Code, as enacted as of a specified date, are referenced in various sections of the Revenue and Taxation Code. Those laws provide that for taxable years beginning on or after January 1, 2002, the specified date of those referenced Internal Revenue Code sections is January 1, 2001, unless otherwise specifically provided.

Existing law requires, for any introduced bill that proposes changes in any of those dates, that the Franchise Tax Board prepare a complete analysis of the bill that describes all changes to state law that will automatically occur by reference to federal law as of the changed date. It further requires the Franchise Tax Board to immediately update and supplement that analysis upon any amendment to the bill, and requires that analysis to be made available to the public and to be submitted to the Legislature for publication in the daily journal of each house of the Legislature.

This bill would change the specified date of those referenced Internal Revenue Code sections to January 1, 2005, for taxable years beginning on or after January 1, 2005, and thereby would make numerous substantive changes to both the Personal Income Tax Law and the Corporation Tax Law with respect to those areas of preexisting conformity that are subject to changes under federal laws enacted after January 1, 2002, and that have not been, or are not being, excepted or modified.

This bill would make certain other changes in federal income tax laws applicable, with specified exceptions and modifications, and make specified supplemental, technical, or clarifying changes for purposes of the Personal Income Tax Law or the Corporation Tax Law, or both, with respect to, among other things, the exclusion from income of qualified foster care payments, health savings accounts, certain definitions, expensing for small businesses, low-income community tax credits, shareholder treatment, eligible shareholders, transfers of suspended losses incident to divorce, repayment of loans for qualifying employer securities, phaseouts of certain motor fuel excise taxes, suspension of occupational taxes relating to certain alcoholic beverages, information reporting for certain individuals, capital gain treatment applying to outright sales for landowners, expenses of rural letter carriers, expensing of certain reforestation expenditures, depreciation of certain Alaskan pipeline property, interest expense allocation rules, translation of foreign taxes, certain

passive foreign investment companies, Alaska Native Settlement trusts, civil rights tax relief, tax shelter provisions, underpayment penalty, and specified federal acts. This bill would specify various dates on which specified provisions apply, make findings and declarations that certain provisions are declaratory of existing law, specify the intent and operation in the application of provisions conforming to various federal acts, and repeal obsolete provisions.

The Personal Income Tax Law and the Corporation Tax Law authorize various deductions and credits in computing the taxes imposed by those laws.

This bill would, under both laws, for taxable years beginning on or after July 1, 2005, and before January 1, 2018, allow an environmental tax credit in an amount equal to 5¢ for each gallon of ultra low sulfur diesel fuel produced by a small refiner, as defined, at any facility located in this state.

This bill would also, under both laws, for a period beginning on January 1, 2005, and ending on January 1, 2009, authorize a small refiner to elect to treat 75% of qualified capital costs, as defined, as expenses not chargeable to a capital account and expenses that may be deducted, as provided.

This bill would result in a change in state taxes for the purpose of increasing state revenues, within the meaning of Section 3 of Article XIII A of the California Constitution, and thus would require for passage the approval of $\frac{2}{3}$ of the membership of each house of the Legislature.

This bill would take effect immediately as a tax levy.

The bill would provide that the operation of 2 of its sections would be contingent on the enactment of other specified bills.

Vote: ~~majority~~ ^{$\frac{2}{3}$} . Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

4 United States, after consultation with the Administrator of the
5 Environmental Protection Agency, that the taxpayer's qualified
6 capital costs with respect to a facility are, or will result, in
7 compliance with applicable EPA regulations, has been received,
8 then the taxpayer shall be allowed the credit without obtaining
9 certification from the CARB, unless CARB demonstrates that the
10 fuel produced does not meet CARB regulations.

11 (3) "Facility" means a small refiner's petroleum refinery
12 located in the State of California that has incurred qualified
13 capital costs to produce ultra low sulfur diesel fuel.

14 (4) "Applicable EPA regulations" means the Highway Diesel
15 Fuel Sulfur Control Requirements of the Environmental
16 Protection Agency.

17 (5) "Applicable CARB regulations" means the Vehicular
18 Diesel Fuel Sulfur Control Requirements of the California Air
19 Resources Board (CARB) under Section 2281 of Article 2 of
20 Chapter 5 of Division 3 of Title 13 of the California Code of
21 Regulations.

22 (6) "Applicable period" means, with respect to any facility, the
23 period beginning on January 1, 2004, and ending on May 31,
24 2007.

25 (7) "Ultra low sulfur diesel fuel" means both of the following:

26 (A) Diesel fuel with a sulfur content of 15 parts per million or
27 less.

28 (B) (i) Subject to clause (ii), either of the following:

29 (I) Vehicular diesel fuel produced and sold by a small refiner
30 on or after June 1, 2006.

31 (II) Vehicular diesel fuel produced and sold by the small
32 refiner before June 1, 2006, that the small refiner specifically
33 identifies and supports through internal test reports as meeting
34 applicable CARB regulations.

35 (ii) For purposes of this section, it is rebuttably presumed that
36 the fuel described in clause (i) is ultra low sulfur diesel fuel. The
37 California Air Resources Board may rebut this presumption by
38 demonstrating that the fuel does not comply with applicable
39 CARB regulations.

1 (8) “Barrels per stream day” means the maximum number of
2 barrels of input that a distillation facility can process within a
3 24-hour period when running at full capacity under optimal crude
4 and product slate conditions with no allowance for downtime.

5 (d) For purposes of this section, if a credit is determined under
6 this section for any expenditure with respect to any property, the
7 increase in basis of that property that would (but for this
8 subdivision) result from that expenditure shall be reduced by the
9 amount of the credit so determined.

10 (e) No deduction shall be allowed for that portion of the
11 expenses otherwise allowable as a deduction for the taxable year
12 that is equal to the amount of the credit determined for the
13 taxable year under this section.

14 (f) In the case where the credit allowed by this section exceeds
15 the “net tax,” the excess may be carried over to reduce the “net
16 tax” in the following year, and the 10 succeeding years if
17 necessary, until the credit is exhausted.

18 (g) If a small refiner that claims a credit under this section
19 sells, transfers, or otherwise disposes of, either directly or
20 indirectly, a facility within five years of the taxable year during
21 which it first claimed the credit, there shall be added to the “net
22 tax” of the small refiner during the taxable year of sale, transfer,
23 or disposition an amount equal to the total credit claimed
24 multiplied by a fraction, the numerator of which is the remaining
25 term of five years and the denominator of which is 5.

26 (h) This section is repealed on January 1, 2018.

6 financial hardship, as determined by the Franchise Tax Board,
7 allow an individual or fiduciary to enter into installment payment
8 agreements with the Franchise Tax Board to make payments on
9 taxes due, plus applicable interest and penalties over the life of
10 the installment period. Failure by an individual or fiduciary to
11 comply fully with the terms of the installment payment
12 agreement shall render the agreement null and void, unless the
13 Franchise Tax Board determines that the failure was due to a
14 reasonable cause, and the total amount of tax, interest, and all
15 penalties shall be immediately due and payable.

16 (b) In the case of a liability for tax of an individual under Part
17 10 (commencing with Section 17001) or this part, the Franchise
18 Tax Board shall enter into an agreement to accept the full
19 payment of the tax in installments if, as of the date the individual
20 offers to enter into the agreement, all of the following apply:

21 (1) The aggregate amount of the liability (determined without
22 regard to interest, penalties, additions to the tax and additional
23 amounts) does not exceed ten thousand dollars (\$10,000).

31 for payment of any tax imposed by Part 10 (commencing with
32 Section 17001) or this part.

33 (3) The Franchise Tax Board determines that the taxpayer is
34 financially unable to pay the liability in full when due (and the
35 taxpayer submits any information as the Franchise Tax Board
36 may require to make this determination).

37 (4) The agreement requires full payment of the liability within
38 three years.

1 (5) The taxpayer agrees to comply with the provisions of this
2 part and Part 10 (commencing with Section 17001) for the period
3 the agreement is in effect.

4 (c) Except in any case where the Franchise Tax Board finds
5 collection of the tax to which an installment payment agreement
6 relates to be in jeopardy, or there is a mutual consent to
7 terminate, alter, or modify the agreement, the agreement shall not
8 be considered null and void, or otherwise terminated, unless both
9 of the following occur:

10 (1) A notice of termination is provided to the individual or
11 fiduciary not later than 30 days before the date of termination.

12 (2) The notice includes an explanation of why the Franchise
13 Tax Board intends to terminate the agreement.

14 (d) No levy may be issued on the property or rights to property
15 of any person with respect to any unpaid tax:

16 (1) During the period that an offer by the taxpayer for an
17 installment agreement under this section for payment of the

21 is filed within the 30 days, during the period that the review is
22 pending).

23 (3) During the period that the installment agreement for
24 payment of the unpaid tax is in effect.

25 (4) If the agreement is terminated by the Franchise Tax Board,
26 during the 30 days thereafter (and, if a request for review of the
27 termination is filed within the 30 days, during the period that the
28 review is pending).

29 (5) This subdivision shall not apply with respect to any of the
30 following:

31 (A) Any unpaid tax if either of the following occurs:

32 (i) The taxpayer files a written notice with the Franchise Tax
33 Board that waives the restriction imposed by this subdivision on
34 levy with respect to the tax.

12 fiduciaries who request that review. This administrative review
13 shall not be subject to Chapter 4.5 (commencing with Section
14 11400) of Part 1 of Division 3 of the Government Code. Unless
15 review is requested by the taxpayer within 30 days of the date of
16 rejection of the offer of an installment agreement or termination

18 stay collection of the tax to which the installment payment
19 agreement relates.

20 (f) In the case of an agreement for partial payment of a tax
21 liability entered into by the Franchise Tax Board pursuant to
22 subdivision (a), the Franchise Tax Board shall review the
23 agreement at least once every two years.

24 (g) The amendments made by the act adding this subdivision
25 are operative for any proposed installment agreement submitted
26 after the effective date of that act.

9 (c) In the case of any amount held by the Franchise Tax Board
10 as a deposit in the nature of a cash bond pursuant to the
11 provisions of this section prior to the amendments made by the
12 act adding this subdivision, the date that the taxpayer identifies
13 that amount as a deposit made pursuant to this section, as
14 amended by the act adding this subdivision, shall be treated as
15 the date that the amount is deposited for purposes of this section,
16 as amended by the act adding this subdivision.

7 transaction or shelter was entered into.

8 (d) The penalty imposed by subdivision (a) shall be assessed

26 conscience.

27 (E) Rescinding the penalty would promote compliance with
28 the requirements of this part and Part 10 (commencing with
29 Section 17001) or Part 11 (commencing with Section 23001) and
30 effective tax administration.

31 (2) The exercise of authority under paragraph (1) shall be at
32 the sole discretion of the Chief Counsel of the Franchise Tax

(b) The aggregate credit determined under subdivision (a) for any taxable year with respect to any facility shall not exceed 25 percent of the qualified capital costs incurred by the small refiner with respect to that facility, reduced by the aggregate credits determined under this section for all prior taxable years with respect to that facility.

(c) For purposes of this section:

(1) “Small refiner” means any refiner who owns or operates a refinery in California that:

(A) Has and at all times had since January 1, 1978, a crude oil capacity of not more than 55,000 barrels per stream day.

(B) Has not been at any time since September 1, 1988, owned or controlled by any refiner that at the same time owned or controlled refineries in California with a total combined crude oil capacity of more than 55,000 barrels per stream day.

(C) Has not been at any time since September 1, 1988, owned or controlled by any refiner that at the same time owned or controlled refineries in the United States with a total combined crude oil capacity of more than 137,500 barrels per stream day.

(2) (A) “Qualified capital costs” means, with respect to any facility, those costs paid or incurred during the applicable period for items certified by the California Air Resources Board (CARB) under subparagraph (B) for compliance with the applicable EPA or CARB regulations with respect to that facility, including, but not limited to, expenditures for the construction of new process operation units or the dismantling and reconstruction of existing process units to be used in the production of ultra low sulfur diesel fuel, associated adjacent or offsite equipment (including tankage, catalyst, and power supply), engineering, construction period interest, site work, and permitting.

(B) (i) Before claiming a credit under this section, a small refiner shall request from the California Air Resources Board a certification that both of the following are true:

(I) That the items for which qualified capital costs were paid or incurred are for compliance with the applicable EPA or CARB regulations described in subparagraph (A).

(II) That the items for which qualified capital costs were paid or incurred have been placed in service by the small refiner.

1 (ii) The request described in clause (i) shall be in a form and
2 contain sufficient information to allow the California Air
3 Resources Board to determine that the items that are requested to
4 be certified were placed in service for compliance with
5 applicable EPA and CARB regulations, which information shall
6 include the date on which the items were placed in service.

7 (C) The California Air Resources Board shall make a
8 determination regarding a request described in subparagraph (B)
9 on or before 60 days after the request is submitted. If the board
10 does not make a determination within this time period, the
11 certification will be deemed to be granted.

12 (D) If certification from the Secretary of the Treasury of the
13 United States, after consultation with the Administrator of the
14 Environmental Protection Agency, that the taxpayer's qualified
15 capital costs with respect to a facility are, or will result, in
16 compliance with applicable EPA regulations, has been received,
17 then the taxpayer shall be allowed the credit without obtaining
18 certification from the CARB, unless CARB demonstrates that the
19 fuel produced does not meet CARB regulations.

20 (3) "Facility" means a small refiner's petroleum refinery
21 located in the State of California that has incurred qualified
22 capital costs to produce ultra low sulfur diesel fuel.

23 (4) "Applicable EPA regulations" means the Highway Diesel
24 Fuel Sulfur Control Requirements of the Environmental
25 Protection Agency.

26 (5) "Applicable CARB regulations" means the Vehicular
27 Diesel Fuel Sulfur Control Requirements of the California Air
28 Resources Board (CARB) under Section 2281 of Article 2 of
29 Chapter 5 of Division 3 of Title 13 of the California Code of
30 Regulations.

31 (6) "Applicable period" means, with respect to any facility, the
32 period beginning on January 1, 2004, and ending on May 31,
33 2007.

34 (7) "Ultra low sulfur diesel fuel" means both of the following:
35 (A) Diesel fuel with a sulfur content of 15 parts per million or
36 less.

37 (B) (i) Subject to clause (ii), either of the following:

38 (I) Vehicular diesel fuel produced and sold by a small refiner
39 on or after June 1, 2006.

1 (II) Vehicular diesel fuel produced and sold by the small
2 refiner before June 1, 2006, that the small refiner specifically
3 identifies and supports through internal test reports as meeting
4 applicable CARB regulations.

5 (ii) For purposes of this section, it is rebuttably presumed that
6 the fuel described in clause (i) is ultra low sulfur diesel fuel. The
7 California Air Resources Board may rebut this presumption by
8 demonstrating that the fuel does not comply with applicable
9 CARB regulations.

10 (8) “Barrels per stream day” means the maximum number of
11 barrels of input that a distillation facility can process within a
12 24-hour period when running at full capacity under optimal crude
13 and product slate conditions with no allowance for downtime.

14 (d) For purposes of this section, if a credit is determined under
15 this section for any expenditure with respect to any property, the
16 increase in basis of that property that would (but for this
17 subdivision) result from that expenditure shall be reduced by the
18 amount of the credit so determined.

19 (e) No deduction shall be allowed for that portion of the
20 expenses otherwise allowable as a deduction for the taxable year
21 which is equal to the amount of the credit determined for the
22 taxable year under this section.

23 (f) In the case where the credit allowed by this section exceeds
24 the “tax,” the excess may be carried over to reduce the “tax” in
25 the following year, and the 10 succeeding years if necessary until
26 the credit is exhausted.

27 (g) If a small refiner that claims a credit under this section
28 sells, transfers, or otherwise disposes of, either directly or
29 indirectly, a facility within five years of the taxable year during
30 which it first claimed the credit, there shall be added to the “tax”
31 of the small refiner during the taxable year of sale, transfer, or
32 disposition an amount equal to the total credit claimed multiplied
33 by a fraction, the numerator of which is the remaining term of
34 five years and the denominator of which is 5.

35 (h) This section shall remain in effect only until January 1,
36 2018, and as of that date is repealed.
